 - Check vehicle status²

Note: Telematics Solutions (both complimentary and subscription based) are available for Fleet Customers, providing access to manufacturer-grade data including but not limited to vehicle location, speed, idle time, fuel/energy, range, vehicle diagnostics, and maintenance alerts. FordPass Connect™ 4G Wi-Fi Modem, enables telematics services directly from Ford or through authorized third party providers. Learn more at commercialsolutions.ford.com or email fcs1@ford.com or by calling 833-FCS-Ford. (833-327-3673).

- Keyed Ignition
- Particulate Air Filter
- Remote Keyless Entry / Panic Button (Key Fob)

¹Wi-Fi hotspot includes wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the trial subscription period for remote features. To activate, go to www.att.com/ford

²FordPass Connect (optional on select vehicles), the Ford Pass App., and Complimentary Connected Services are required for remote features (see FordPass Terms for details). Connected Service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected services excludes Wi-Fi hotspot.
